

Blue and Red and White

unison:

Blowing in the breeze,
drawing me to its attention,
fluttering with ease.
Make my spirits soar!
Stars are in my eyes
filling me with proud intention.
Banner in the skies.
Oh, flag that I adore! Oh!

Blue and red! What a sight!
Blue and red and white
fill my eyes with tears,
my heart with delight.
My blue and red and white!

part 1:

'Round the world I roam
thinking of my
freedom sweetly.
Call me to my home,
bring me back again!
I can find my way.
What I have,
I have completely.
Now and ev'ry day
I am a citizen! Oh!
