

I Was Here

Lady Antebellum

You will notice me
I'll be leaving my mark, like initials carved in an old oak tree
You wait and see
Maybe I'll write like Twain wrote
Maybe I'll paint like Van Gough
Cure the common cold
I don't know but I'm ready to start 'cause I know in my heart

*I wanna do something that matters
Say something different
Something that sets the whole world on its ear
I wanna do something better, with the time I've been given
And I wanna try to touch a few hearts in this life
Leave nothing less than something that says I was here*

I will prove you wrong
If you think I'm all talk, you're in for a shock
'cause this dream's too strong, and before too long
Maybe I'll compose symphonies
Maybe I'll fight for world peace
'cause I know it's my destiny to leave more than a trace of myself in this place

*And I know that I, I will do more than just pass through this life
I'll leave nothing less than something that says I was here
I was here
I was here
I was here*

Wanna do somethin' that matters
Somethin' that says I was here
Wanna do somethin' that matters
Somethin' that says I was here, I was here
